2001-2021

Graduates may progress onto Masters Programmes both in Ireland and outside Ireland

Professional Accreditation and Exemptions

Graduates are exempt from a significant number of the examinations of professional bodies. In particular Graduates of the three year programme are exempt from Papers F1-F9 of the Association of Certified Chartered Accountants ACCA. Substantial exemptions are available (depending on each individual results) from Chartered Accountants Ireland (4 from 5 modules CAP1).

Career Prospects

This course gives all-round business management skills as well as specialist knowledge of finance and accounting. Many graduates pursue careers as accountants and openings are available as management trainees in manufacturing, banks, government agencies and the public sector.

Mr. Imran Khan Graduated with a BA (Honours) in Accounting & Finance.

Imran is currently an Operations Manager with the Dalata Group.

“The lecturing standards in ICD Business School are exemplary, each lecturer is an expert in their chosen area, this means that the Taxation lecturer is a subject expert, as is the Auditing lecturer, Financial Management lecturer etc.

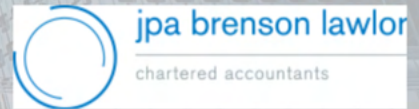

Many of the lecturers are authors of current Accounting texts. This along with the exemptions (F1-F9) has given me a great grounding in Accounting and allowed me to go straight to the Final Stages of ACCA. I could not recommend ICD Business School enough”
